Patient Instructions for Home Medical Equipment

In order for ABC Health Care to complete the request for your prescribed home medical equipment, we will need the following documentation requirements completed in full and provided to our office in their entirety.

1. Receive copy of ABC Health Care "Home Medical Equipment – Instructions & Documentation Requirements" packet
   - ☑ Completed

2. Fill out the "ABC Health Care Patient Information Record" document
   - ☐ Completed

3. Using the "Written Order Requirements" document, confirm your prescription / "written order" written by your physician meets the insurance-driven requirements. If not, contact your prescribing physician for a new prescription / "written order" or to make the appropriate changes to your existing prescription ***Important, please note - All edits to an existing prescription must be initialed and dated by the signing physician.***
   - ☐ Completed

4. Using the "Equipment Documentation Requirements" document, confirm all Insurance-required documentation is included. If not, contact your physician to request the Insurance-required medical documentation.
   IMPORTANT - Medical documentation written on a prescription / "written order" is not accepted by Insurance companies. It must be written separately in your medical records and be part of your medical history from your prescribing physician.
   - ☐ Completed

5. Once complete, submit all of the following to ABC's DME department. It will be scanned and returned to you.
   - ☐ "Patient Instruction for Home Medical Equipment" form
   - ☐ "ABC Health Care Patient Information Record" form
   - ☐ Valid Prescription / Written Order
   - ☐ Equipment Documentation form with the accompanying Medical Records / Medical Documentation

6. An ABC Health Care Medicare Quality Assurance associate will review the order and documentation within 48 hours of submission.
   - ☐ If order and documentation are not complete, the Medicare Quality Assurance associate will deny the request for equipment and inform you of reasons.
   - ☐ If order and documentation are complete, the Medicare Quality Assurance associate will approve the request for equipment and inform you of approval and process for receiving your equipment.
     Important, please note – ABC will only provide equipment after patient co-payment, deductible, and/or prior balance is collected.

7. ABC Health Care will file your medical equipment claim with Medicare for you and an Explanation of Benefits from CMS will follow to confirm billing is complete.
